## OUR INVITATION

It is with satisfaction that we invite you to attend The Ogden Shorthorn Sale at the Ogden Sale Pavilion at Ogden, Iowa, on Thursday, January 25, 1951.

We are satisfied because we feel this is a particularly well balanced offering of good, useful, well-bred, practical producing cattle. They are good honest cattle, raised under practical everyday farm conditions by reliable farmer-breeders who believe in well balanced farm operation with carefully planned livestock programs. These cattle will improve and develop every day you own them.

The offering should contain something for everybody. The bulls range from tried sires, bulls ready for heavy service, to choice young prospects ready for service at a later date, and from choice herd bull prospects to good useful bulls that will improve the average farm herd.

The female offering has good cows with calves, and re-bred, good bred heifers and a choice group of open heifers, bred alike, uniform in type and age, in sufficient numbers to start a uniform producing herd with.

Top individuals and the best of breeding have been used in developing and maintaining these herds.

This sale was organized through the efforts of a group of enthusiastic, energetic, active and practical Shorthorn breeders who live in this immediate area.

Their aim is to make this ideal sale location a convenient outlet for the breeders, and an accessible place for prospective buyers. They intend to make this an annual event.

May we urge you to come and acquire some of these good cattle of proven productivity. Bring your friends, or anyone interested in beef cattle. We are anxious to have the public inspect and appraise this offering.

May you be with us on Thursday, January 25, 1951.

**GOLDFINDER COMMAND**—A real tried sire that has been used successfully in the herds of the Holz Bros., C. B. Johnson, and W. P. Lorenzen. His pedigree is a blending of the best breeding that Scotland, Canada and the United States have to offer, namely, the popular Goldfinder and the well known Edellyn Command, and Brawith Boy bloodlines. This bull is guaranteed right in every way, a real dark red, extremely good headed, and very short-legged. His best recommendation is the 10 bulls and 18 females that sell in this offering. The 16 open heifers by him in this sale are as uniform and as high class a group of heifers as you will find by any one sire anywhere. This bull with a proven record has much usefulness as a sire ahead of him. Consider him and his get very carefully.

**ROYAL LEADER MODEL**—This bull is very thick, low-set and rugged with a good masculine head and crest. He is out of one of our best cows. He represents the popular Edellyn Royal Leader and Calrossie Mercury cross which has proved so successful at Edellyn Farms. This bull is the best thing we have produced to date as the result of a careful breeding program that we have carried out. His breeding should suit the most critical. Considering his choice breeding and individuality, this bull should go into a good herd.

**BEVITA AUGUSTA 17th**—As nice a bred thing as you would want, sired by the \$2300.00 son of the famous Imp. Mount Banker, and out of an Augusta dam rich in the blood of Collynie Royal Barrage and Browndale Count. A heifer out of the same cow was one of the tops in last year's sale. This heifer would make some 4-H boy or girl a real prospect.
